

SYLLABUS

Name: Research project, semester 4 (25-BI-S2-W-PB4-AN)

Name in Polish: Projekt badawczy, semestr 4

Name in English: Research project, semester 4

Information on course:

Course offered by department: Faculty of Biological Sciences

Course for department: Faculty of Biological Sciences

Default type of course examination report:

Grading

Language:

English

Short description:

Prerequisites regarding knowledge, skills, and social competences for the course/module:

An alternative implementation of the study program for outstanding students, enabling them to engage in the research process.

Average grade not lower than 4.5 and completed obligatory courses designated to a current stage of study

Student's own work:

- depending on the project

Description:

Educational aims:

The subject enables the implementation of a research project, increasing the student's chances of applying for an external funding

Course content:

Depending on the research topic pursued in the project, research conducted as part of the project may be a component of the diploma thesis.

Bibliography:

Mandatory and recommended reading list:

Depending on the scope of the research project.

Learning outcomes:

Intended learning outcomes:

K_W01-10 (depending on the research area), K_U01-11, K_K01-8

Students expand knowledge in the field of research topics implemented in the project, improve the skills and the ability to select and apply research methods suitable for chosen research, select and study research literature related to the conducted project, develop, interpret and discuss the results, which they present to the forum or in scientific paper.

Assessment methods and assessment criteria:

Assessment methods for the intended learning outcomes:

Continuous evaluation of the tasks defined in the research project, the method of evaluation is determined by the supervisor.

Credit requirements for individual components of the course/module:

Completed research work or publication or application for an external funding

Course credits in various terms:

<without a specific program>

Type of credits	Number	First term	Last term
European Credit Transfer System (ECTS)	10	2024/25-L
